

A rooftop bar scene at dusk or dawn. In the foreground, several people are seated at wooden tables, some looking towards the camera and others looking away. A large, striped patio umbrella is prominent in the center. In the background, a harbor filled with numerous sailboats is visible under a cloudy sky. The overall atmosphere is relaxed and social.

DR RUDI'S ROOFTOP BREWING CO. **FUNCTION PACK**

A woman with long dark hair, wearing a dark tank top, is seen from the side, pouring beer from a tap into a glass. The bar has many taps with different beer labels. The background shows a rooftop setting with blue umbrellas and a view of a city harbor.

JUST WHAT THE DR. ORDERED

Perched on the 3rd level overlooking Auckland's Viaduct Harbour & perhaps the best rooftop spot in the world for brewing, drinking, eating & socialising.

There aren't many function spaces available featuring a stunning roof-top bar with unbeatable views of the viaduct. Even less with an on-site brewery and bowling lanes.

With a variety of spaces available as well as food and drink packages to cater to every occasion, there's no better function space than Dr Rudy's.
